foreword...

... The tower on Keeny! What memories it recalls for each of us. The chiming of the clock calls us to classes, meetings, and social activities. This familiar sound, somehow unforgettable, sounds the bugle call every morning and even calls curfew. The chiming is one of the many things that will always mean Tech to us.

We, the 1955 Lagniappe staff, have endeavored to reflect the life of all the students, emphasizing those things that mean "Tech." Sincerely hoping that you will look back over your college days with pleasant memories, we have attempted to portray campus life as we have lived it.

The staff presents this edition of the Lagniappe, hoping that in years to come, it will rekindle in your memory the many things that meant "Tech" to you. We feel sure that the beckoning call from the tower on Keeny and the Alma Mater will always remind you of your pleasant experiences at Tech.

"O Tech thy halls so beautiful
Thy pleasant walks, thy noble trees,
That charmed me in my college days
Are ever dear to me."

R. L. ROPP
PRESIDENT

a message from the President

Dear Tech Students:

As has been my policy in the past in presenting this annual message to you through the medium of the Lagniappe, I wish again to express appreciation for the cordial feeling and kindly attitude exhibited by all of you. Truly, you have demonstrated to the fullest extent that Tech is "The Friendliest College Campus in the South."

Although a feeling of uneasiness still prevails throughout the world and momentous problems both at home and abroad are facing us, we presently can view the future with more confidence than has been our fortune in the last few years. It is our fervent hope and prayer that peace shall continue to reign over all mankind.

In many respects this has been a banner year for us at Tech. Among the highlights marking our progress the following may be listed: the largest freshman class in the history of the college, completion of the new infirmary, starting the construction of a new \$1,500,000 science building and two new student religious organization centers, good records by our athletic teams and forensic squads, strengthening of the teaching staff, national accreditation of one department, and enrichment of the curricula in various areas.

Remembering always that it is a privilege to live in a country like ours and work in harmony, let us pledge ourselves anew to take advantage of every opportunity to prepare ourselves for whatever challenge the years ahead may hold for us.

Faithfully yours,

R. L. ROPP, President.

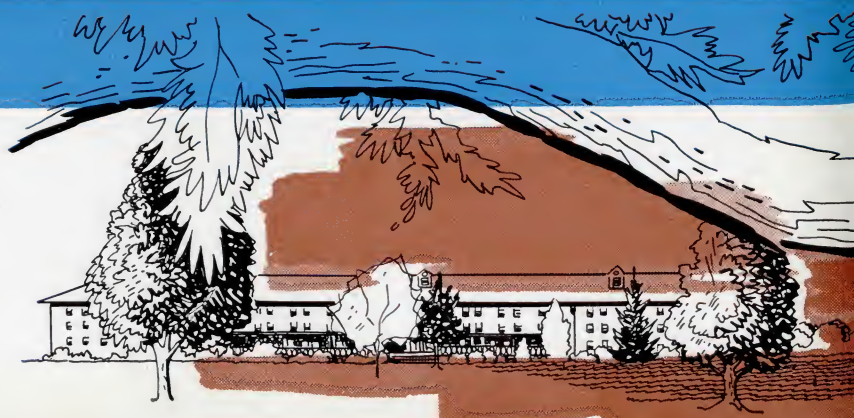

Sounding a distinct tone, the clock on Keeny calls us to classes in three of the main buildings of the college. Keeny Hall, above, is the administration building. A. E. Phillips Elementary School is at the upper right, and the engineering building, Bogard Hall, the lower right.

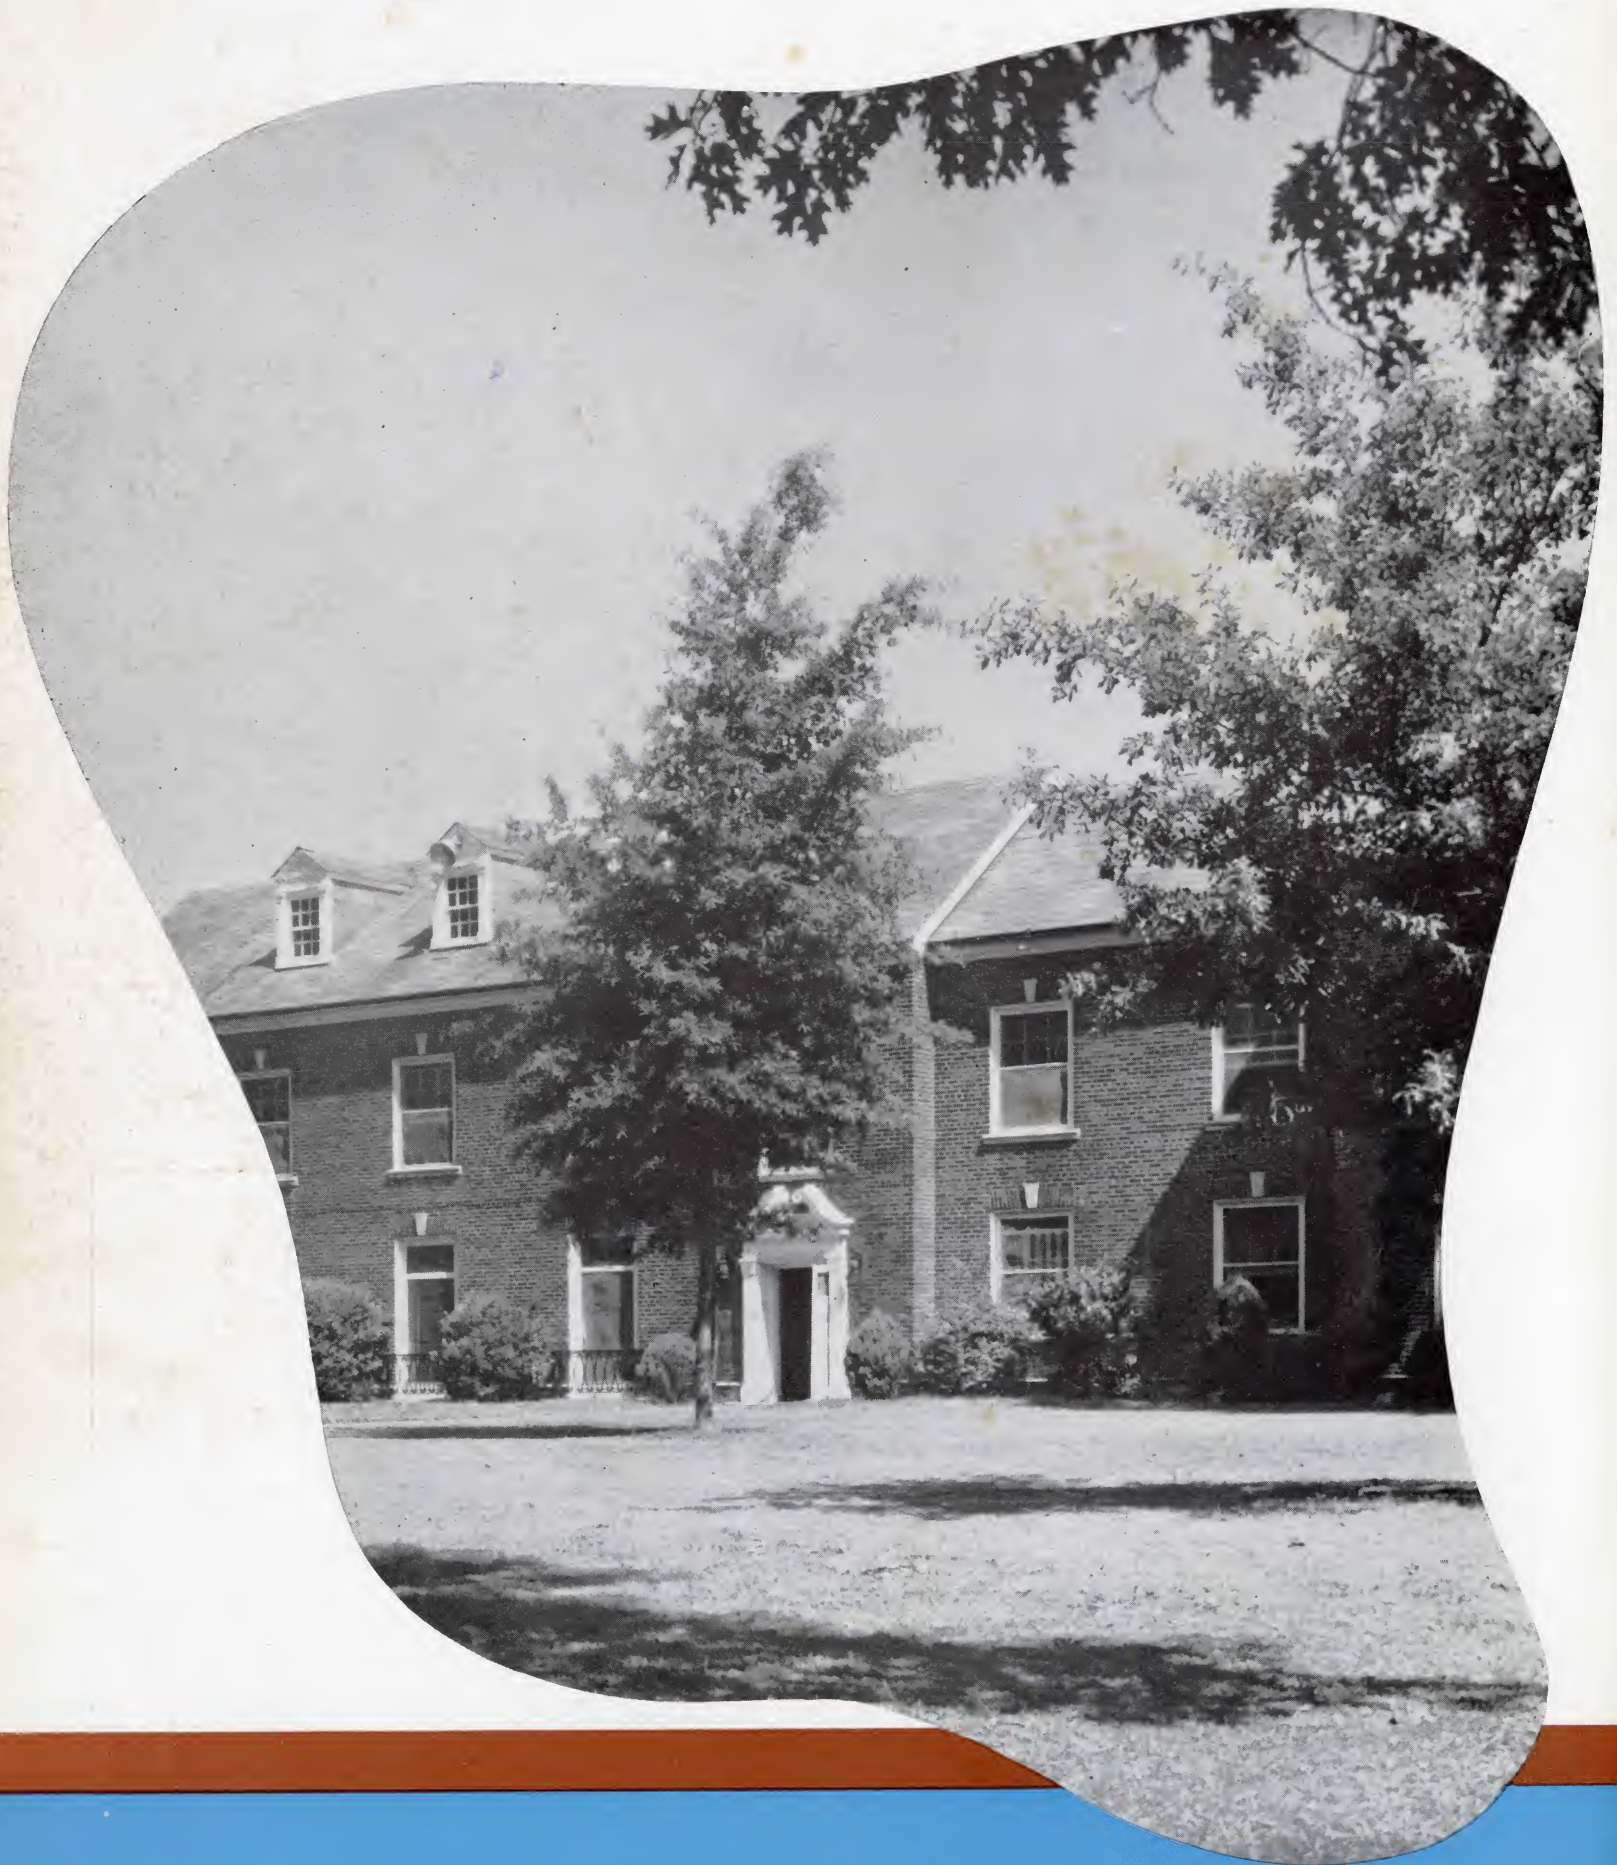

Living in Adams Hall, below, the senior girls' dormitory, is one of the things that underclass women anxiously anticipate. Girls entering Tech move in Harper Hall, left. Later they move to Sophomore Hall and then to Aswell Hall, lower right, and finally to Adams.

Thatcher Hall, left, and Robinson Hall, right, are two of the boys' dormitories. A familiar place to all the students is the Dining Hall, below.

Memorial Gymnasium, left, Prescott Memorial Library, below, and Howard Auditorium, right, are three representative buildings of our campus life. As clear notes of Keeny beckon us, we turn to these places for necessary study, play and educational entertainment.

FRESHMAN ACTIVITIES

Freshman activities at Tech begin on the day the new Techsters arrive. They are welcomed to the campus and then become a part of a well-organized program in which they are taken to teas in the afternoon where they meet the professors, and to parties and dances at night where they meet other freshmen. The Ruston Chamber of Commerce welcomes them to the city of Ruston by holding a jamboree in their honor. After the capping ceremony for girls, all freshmen become full-fledged Tech "pups". Climaxed by Freshman Week, when they are required to wear costumes to class, the activities make up a never-to-be-forgotten experience.

STATE FAIR

Preceding the traditional Northwestern-Tech football game this year, Tech's campus activities included holding pep rallies, observing "Red and Blue Day" and "Tag Day," and electing a queen and court. The queen and her court were chosen by popular vote in a student body election.

After arriving in Shreveport for this State Fair classic, Tech supporters participated in a parade, pep rally, luncheon for representatives of each college, and a coffee for alumni.

Betty Hendershot, State Fair queen, comes across the football field.

Gail Gleason, Pat Boone, Linda Thompson, Connie Westergaard, Virginia Hammons, Dee Denmon, Ann Boyd, Billie Jo Causey—State Fair maids.

HOMECOMING

Tech homecoming was celebrated with a well-rounded program of activities which included a morning coffee for alumni in Adams parlor, the traditional parade through down-town Ruston with nineteen organizations participating, the Tech-Southeastern football game, a business meeting and barbecue for alumni, the fraternity and sorority open houses, and a dance in Memorial gymnasium featuring Hal McIntyre and his orchestra.

The homecoming queen and her court, chosen by the "T" Club, were presented at the game.

CHRISTMAS AT TECH

Highlighting Christmas activities on Tech campus is the annual candlelighting service held in Howard auditorium. Other festivities of the season include an open house at the president's home, Christmas displays entered by various campus organizations, yuletide parties, the Campus Women's Council pajama party, caroling, and the Christmas concert and dance, which this year featured Freddy Martin and his orchestra.

Campus decorations included a Christmas tree in the middle of the campus and individual dormitory decorating.

STUNT NIGHT

Ten organizations participated in this year's Stunt Night, which is sponsored annually by the Student Union. The organizations included six sororities and four fraternities. Each group's stunt was limited to seven minutes. Entertainment was provided between the stunts.

Phi Mu's skit, "In a Psychiatrist's Office," wins second place.

"The Blackie Gleason Show" by Lambda Chi Alpha fraternity received honorable mention.

Third place winner, "The Love of Pocahontas," presented by Alpha Chi Omega sorority.

THE TECH BEAUTIES

Lagniappe beauties were selected this year by popular vote in a campus-wide election.

Each organization on Tech campus received a letter asking for four nominees. Forty organizations submitted nominations, and approximately fifty girls were nominated. The names of the fifteen girls receiving the highest number of nominations were placed on the ballot. Pictures of the candidates were posted in the foyer of Howard Auditorium where the election was conducted by the Lagniappe staff. Six hundred and eighteen students cast their ballots, and all the elected beauties received over three hundred votes.

The results of the election were kept secret until they were announced in the Tech Talk.

THE STUDENT SENATE

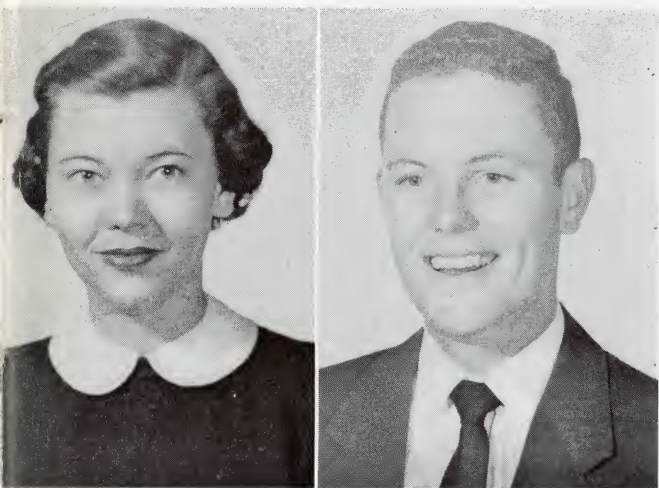

Executive powers of the Student Body Association, of which all Tech students are members, are vested in the Student Senate. The 16 voting members of the organization are elected by their fellow students in spring campus elections.

The Student Body Association was formally organized during the 1937-38 session "to secure a better school spirit, to promote worthy projects in the interest of the whole student body, and to promote general student activities."

Among this year's Student Senate projects were sponsorship of a loan service, supervision of campus elections, planning of homecoming and State Fair events, and the staging of charity drives.

Consisting of one representative from each sorority and fraternity and four independents, the Student Union endeavors to contribute to and guide the development of a well-rounded program of campus activities.

During the current year this group has sponsored the Halloween carnival, the Christmas formal, Christmas Candlelighting, the Freshman Honor Banquet, Stunt Night, the Spring formal, and practice dances. In February they visited the new Student Union building at Southern Methodist University.

Top: Pat Boone and Miss Martha Condra at Halloween carnival.

Bottom: Student Union at Christmas formal.

Installation ceremony, held in May in front of Aswell Hall.

THE WOMEN'S LEAGUE BOARD

The Women's League, composed of all women students at Tech, was organized in 1939 with the purpose of discovering problems among women students in regard to living conditions, social life, and scholastic standing, and seeking solutions to these problems. This organization is a member of the Intercollegiate Association of Women Students.

At the opening of school, the Women's League conducted the Freshman Adviser Program. They published the Tech Student Directory, sponsored Mothers' Weekend, and Christmas Pajama Party. Second semester's activities included giving an assembly for election of new officers and style show, sending delegates to national convention, selecting advisers for next year's freshman girls, presenting the outstanding Sophomore Girl Award, giving picnic for drive-in and town students, sponsoring Sing Week.

Advisers cap Freshmen girls.

1954 Sing Week winners.

President's gavel is awarded Patsy Twilley by Mary White, out-going president.

CAMPUS WOMEN'S COUNCIL

Membership of the Campus Women's Council consists of the officers of the women's dormitories. Their purpose is to unite the governing bodies of the dormitories so that problems may be worked out together.

Through this organization the dormitory women

are recognized as a specific organization. Because these residents become more closely associated, they participate in more cooperative enterprises.

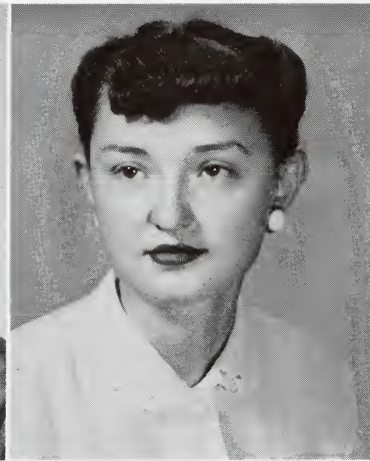

Major projects of this organization included sponsoring the Christmas Pajama Party and the May Day breakfast.

Composed of 83 coeds, the Blue Jackets include 11 girls from each sorority and 17 independents. Requirements for membership include sportsmanship, scholarship, and loyalty to the school. The purposes of this organization are to promote sportsmanship in all athletic events, to promote college spirit on campus, to promote close cooperation between students and faculty, and to act as a welcoming committee to all visiting athletic teams and their supporters. This year the Blue Jackets attended football games, basketball games, and served as official hostess for campus activities.

Five Speakers Listed
For Program of Annual
Observance at College

Religious Emphasis Week dates for Louisiana Tech have been set for February 20-23. E. Carl Jones, chairman of the religious activities committee, announced this week.

Five speakers will be on programs here. They are:

Dr. Penrose St. Amant, professor of church history at New Orleans Baptist Theological Seminary; Dr. E. J. Kircher, professor of education at the University of Ohio; Dr. David O. Moore, pastor of the First Baptist Church, Arkadelphia, Ark.; Otto Estes, executive secretary of the Louisiana Heart association; and Henry Morris, head of civil engineering department, Southwestern Louisiana Institute, Lafayette.

Some students of Tech are serving as chairman of committees, with the faculty religious activities committee and religious center directors acting in advisory capacities.

Meeting Planned Friday Afternoon By Local Group

Louisiana Tech's newest organization, made up of a group of students considering full-time church vocations, will meet to adopt its constitution and by-laws and to elect officers this Friday afternoon.

A name for the new group will be selected at the meeting, which is scheduled at 4 p.m., Friday in the Little Theater. Listed as possible names are the following: Ministerial association; Life Service band; and Christian Service organization.

Students representing several denominations have been working to start the organization. They have been assisted by Dean J. B. Wilson and the campus student directors. Local ministers have also been interested in the group.

A spokesman said that students of all denominations are welcome to attend the meeting if they have decided to enter full-time church work or if they are considering going into the ministry, mission work, Christian education or other church-related vocations.

First Shreveport Show Telecast by Techsters Complimented in Letter

Louisiana Tech's first television show telecast from Shreveport was complimented this week in a letter received here from Deane B. Flett, station manager of KSLA.

E. Wayne Bundy, radio and television director at Tech, received the letter in which Mr. Flett said, "it was a genuine pleasure to watch your Christmas show and to realize that a lot of our past discussion about what might be done in the television era is now coming true."

The college program, "Season's Greetings from Louisiana Tech," was presented over KSLA on December 16. A similar show was also telecast from KNOE-TV in Monroe.

In his letter, the station manager congratulated the cast for "getting across well this Christmas story." He also said that the sets and production techniques indicate that television-minded students have a good opportunity at Tech.

Jonesboro-Hodge Band To Play at First Game Of GSC Cage Schedule

Fans attending the Tech-Louisiana College basketball game next Tuesday night in Memorial gymnasium will be entertained with music by the Jonesboro-Hodge high school band.

The band, along with students from the Jonesboro-Hodge school, are to be special guests of Tech at the first Gulf States conference game of the season on the home court. Under the direction of John Edward Holly, Jr., the visiting musicians

New Fluorescent Lights With Special Reflectors Put in Tech Art Gallery

A new lighting system, consisting of ten fluorescent lights, was recently in the art gallery of Keeny hall at Louisiana Tech. Each light is eight feet in length.

Special reflectors were placed on the lights to reflect the light onto the wall instead of onto the floor as the old lights did. According to Miss Elizabeth Bethoa, head of the art department at Tech, the new system will give a cold light which is better for the color in the exhibits and which will not give off as much heat as the old system.

2,532 Students Total High Mark Of Non-Veterans

Registration for the fall semester at Louisiana Tech has reached a total of 2,532 students, giving the college the largest enrollment of non-veterans in its history.

The present number of Tech students includes 1,758 men and 774 women, the total being an increase of 274 students or 12.1 per cent above the enrollment of 2,258 here in the fall of last year.

The enrollment last fall was 14.3 per cent above the total for the fall of 1953; thus the enrollment at the college has increased more than 26 per cent in the last two fall terms, college officials pointed out.

The present total of 2,532 includes 332 men students under G.I. bills, leaving a total of an even 2,200 non-veterans. In the fall of 1940, the peak enrollment of regular students was 2,126 or 74 less than the present 2,200 non-veterans.

Of the 332 students attending Tech under G.I. provisions, 316 are veterans of the Korean war and 16 are veterans of World War II.

The total Tech enrollment includes 803 beginners, the college's largest freshman class, it was reported.

All of the 2,532 students at Tech this semester are enrolled in courses taught on the campus. There are no night classes.

conducted in the medical technology laboratory at Tech.

Results of the findings of the two Tech students are to be reported to the Louisiana Heart association in a form suitable for publication. The students will work as a team in the study.

The project of the two Tech seniors received a priority rating of one, which is the highest rating received by research students in the undergraduate research program in Louisiana, Professor Kilgore said. Six such grants were awarded in the state.

The undergraduate research program of the Louisiana Heart association is reported to be a new approach in the development of research personnel to work on the cardiovascular diseases. It has received commendations from the National Heart Institute in Bethesda, and the American Heart association's national staff.

The purpose of the organization is "to assemble college men in the fellowship of the scout oath and law, to develop friendship and promote service to humanity."

In addition to the Tech students who are expected to attend the reactivation session, others who will attend will be G. L. Corrigan, a former chapter adviser, and Jim Simpson, field scout executive of the Ouachita Valley council of the Boy Scouts.

A hapless bunch of Northwestern State Demons had little success in halting the effective end sweeps made by Russell Rainbolt at the annual State Fair classic.

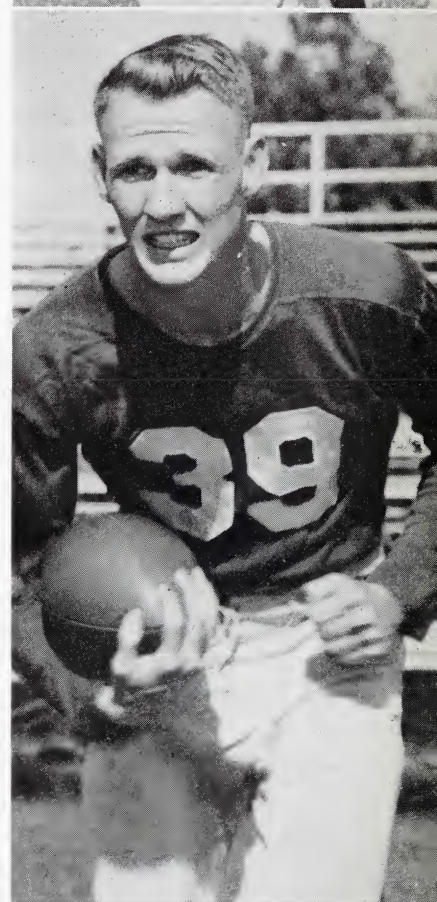

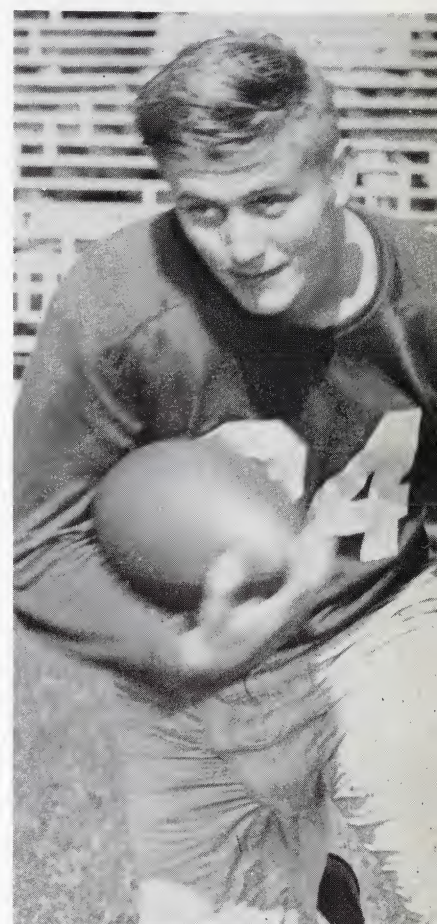

The "question-mark play" of the State Fair hassle arose when halfback Charles Wyly (40) supposedly snared a touchdown pass from quarterback Pete McCulley in the end zone. However, in the official's eye, the pigskin hit the turf, so it was ruled as incomplete. Jay Dupree (73) is observing the action.

The Bulldog baseballers of 1954 reached their highest peak in the Gulf States Conference diamond history by constructing a nifty 9-3 record to share the league championship with Southeastern Louisiana College, who also compiled a 9-3 mark.

As a deserving award for their outstanding feats during the pennant-winning season, four Tech performers were selected to the All-GSC squad. The quartet included Milford Andrews, fast-balling hurler who posted a 5-2 loop record; George Berry, catcher; Billy Till, first baseman; and Bill Williams, outfielder. Andrews returned for the 1955 campaign.

Five Bulldog cindermen completely outclassed GSC relay foes in the 1954 meet by taking both the 440 and the 880 relay crowns. Bruce Lenoir, Gene Jantz, John McMichael (not pictured), and Russell Rainbolt took the 440 event in 42.9 seconds, then the quartet of Lenoir - Jantz - McMichael - Gayle Dick added the 880 relay title in 1:30.4.

Left:
Lenoir, Jantz, Dick, and Rainbolt.

TECH'S CORPS OF HURDLERS: Vernie Throneberry, Maurice Brownell, Dean Walker, and Joel Thomas. Throneberry and Walker are both seniors, Brownell, a sophomore, and Thomas, a freshman.

Speed-demon Bruce Lenoir, one of Tech's fastest all-time track aces, has taken the GSC 100-yard and 200-yard dashes for the past two consecutive years. In winning the '54 century event, he was clocked at 9.8 seconds to establish a new conference record. His time in the 220 sprint was 21.7 seconds.

Lenoir added more honors by finishing third in the annual Sugar Bowl Invitational Track Meet at New Orleans in late December. During the '54 season, he turned in a brilliant 9.6 timing in a triangular meet at Jonesboro, Ark., to rank among the world's swiftest 25 sprinters.

The Mansfield junior also ran the opening leg on the 440-yard and 880-yard relay champions of the GSC, and finished as the meet's leading pointmaker.

"T" CLUB

OFFICERS

Charles Wyly ----- *President*

Jack Baugh ----- *Vice-President*

Charles Walker ----- *Secretary*

Russell Rainbolt ----- *Treasurer*

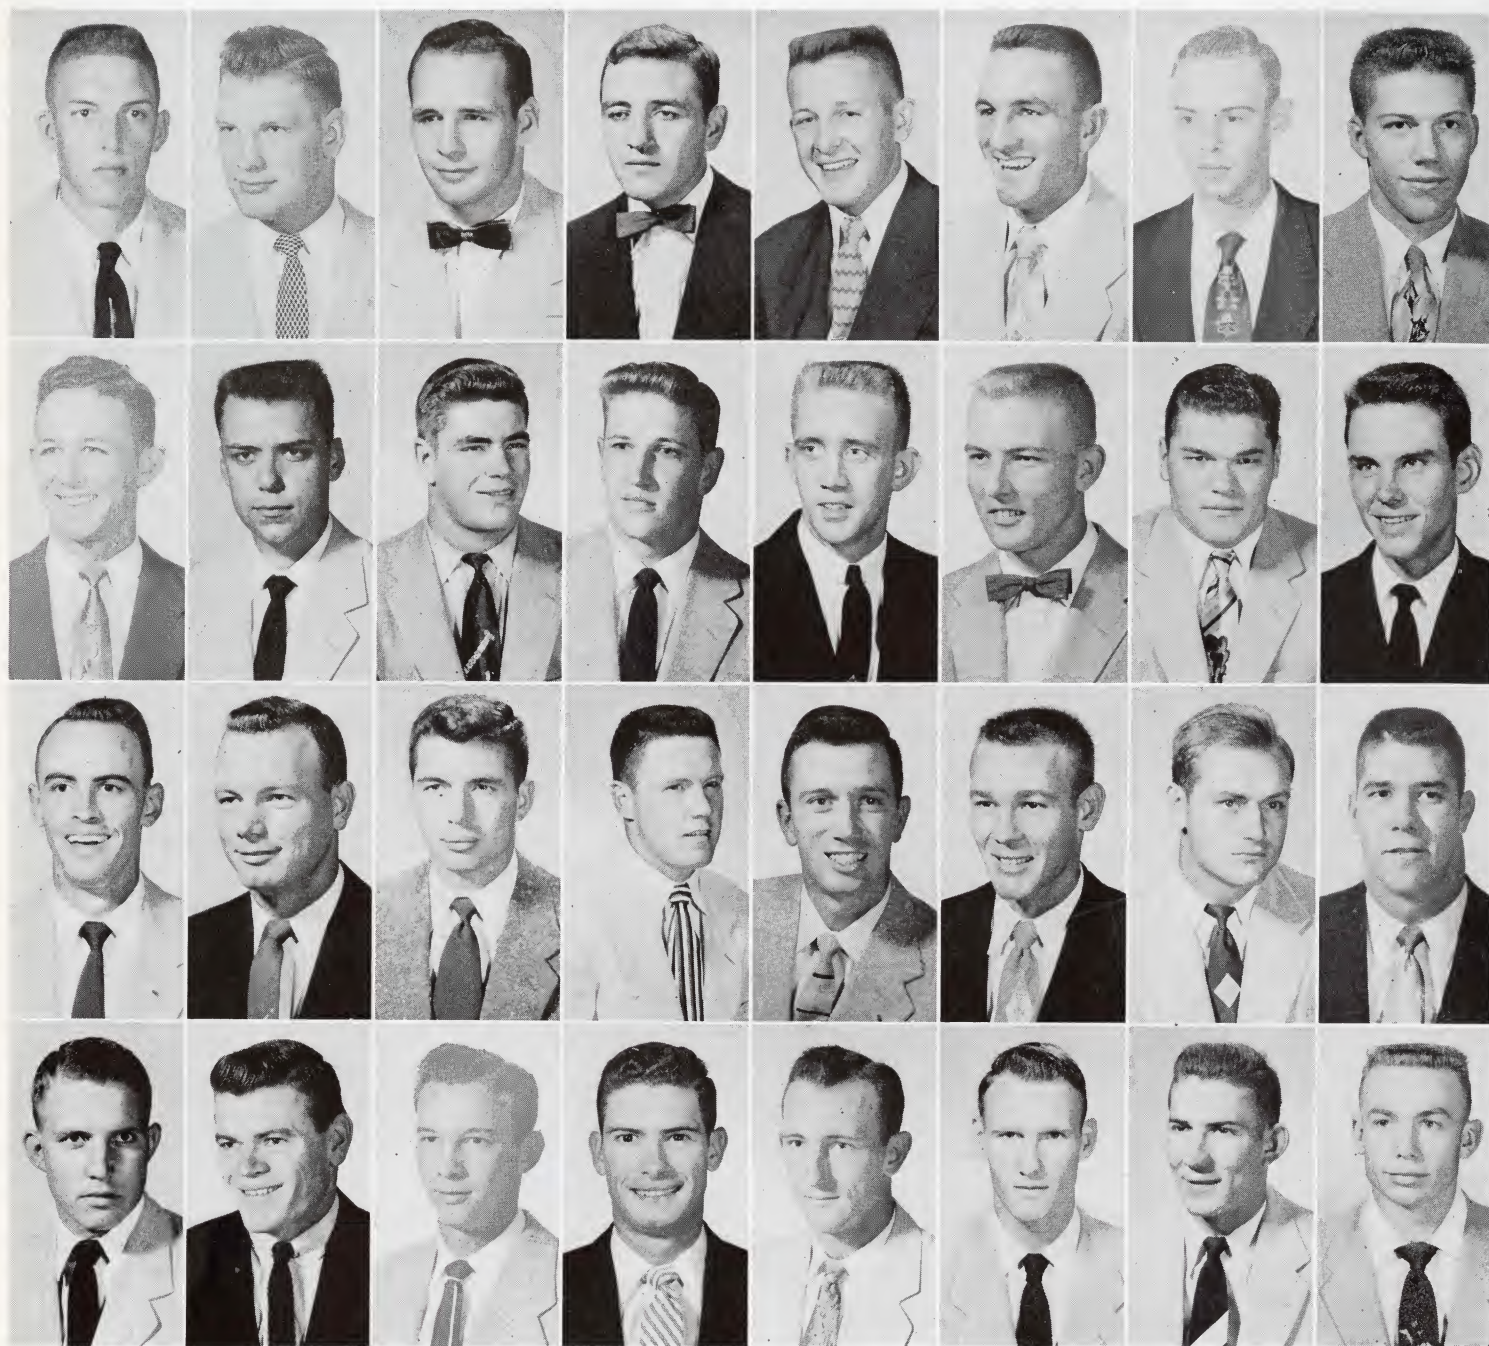

Coach Jimmy Mize ----- *Faculty Adviser*

The "T" Club was organized in 1931 with the purpose of fostering sportsmanship and fair play in all athletic endeavors. The group provides the grand climax to the annual homecoming festivities each fall by sponsoring a dance for alumni, students, faculty members, and other guests.

This organization is composed of lettermen in the following varsity sports: football, basketball, baseball, track and field, tennis, and golf.

Baugh, Rainbolt, Walker, Wyly

FIRST ROW: Bill Bailey, Larry Barbay, Kenneth Bates, Jack Bennett, George Berry, Leamon Best, Raymond Doyle, Robert Dunbar.

SECOND ROW: George Haile, Hank Halvorson, Pat Hinton, Gene Jantz, Bill Lay, Bruce Lenoir, Buster Lum, Jack McCollister.

THIRD ROW: Pat McLane, John McMichael, George Mangum, Hall Nattin, Billy Nelson, L. V. Norris, James Oliver, Pat Patterson.

FOURTH ROW: Vic Perry, Russell Rainbolt, Jim Rivers, Tony Sacarro, Vernie Throneberry, Dean Walker, A. L. Williams, Charles Wylly.

FIRST ROW: Jo Jordan, Leu Strange, Billie Jo Causey.
SECOND ROW: Freddie Cole, Eddie Smith, Bill Baker.

CHEERLEADERS

"All ready, gang, let's go!"

Leading the cheers for the team at football and basketball games is the main activity of Tech's cheerleaders. They are also responsible for decorating the goal posts before every game, planning all pep rallies, and planning the annual bonfire.

This year the cheerleaders were responsible for planning and handing out the "Dump the Demons" stickers. They were present at every out-of-town game.

In a spring election sponsored by the Student Senate four cheerleaders, two boys and two girls, are elected by receiving a majority vote. An over-all C average is necessary for eligibility. The following fall the freshmen elect a boy and a girl from their own class to complete the team.

FIRST ROW: Bobby Jackins, Jerry Winston, John Halback.

SECOND ROW: Joe Morris, Bobby Donovan, Howard Dennis, Jim Rivers.

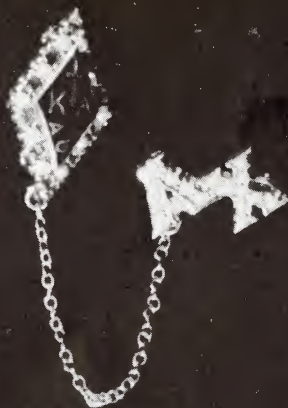

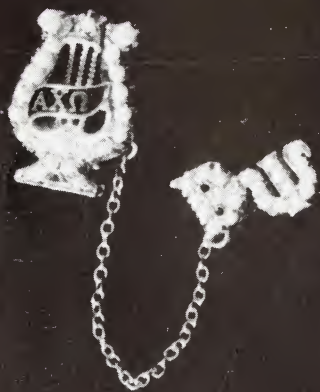

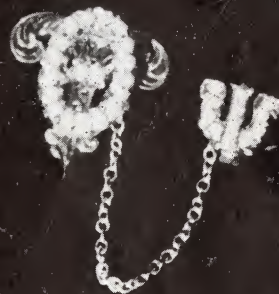

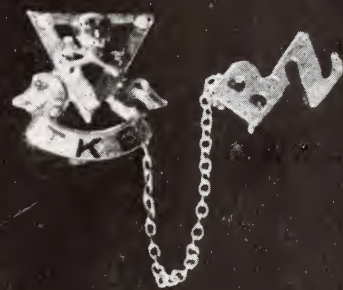

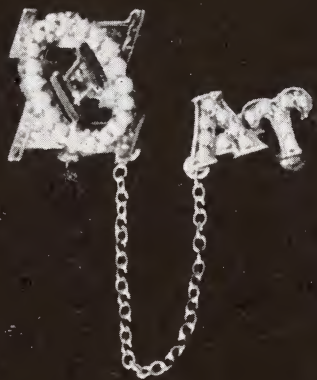

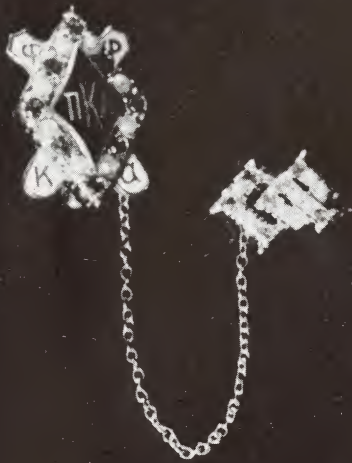

GOLF

Tech's powerful 1954 golf team consistently scorched the fairways to hang up a second straight Gulf States Conference championship flag. The Canine linksters boasted a record of 10 victories out of 11 matches, scoring a total of 146 points to the op-

position's 53. During the 1953 campaign, Tech went undefeated in 10 matches to win the GSC title.

Three lettermen on last Year's squad returned for the 1955 team. These include Jim Rivers, team captain, Howard Dennis, and Joe Morris. Other members listed on the 1955 roster included Dickie Taylor, Jerry Norris, Bobby Irby, and Irving King, Jr.

LAMBDA CHI ALPHA

LEGEND

Tracing its origin back to local organizations founded here in 1898 and 1902, the Lambda Chi Alpha chapter at Tech is the oldest national fraternity on the campus. It was affiliated with the national Theta Kappa Nu on April 1, 1925. In 1939 Lambda Chi Alpha and Theta Kappa Nu merged to form the largest general fraternity. Founded in 1909 at Boston University, Lambda Chi Alpha today has 148 undergraduate chapters. Its colors are purple, green and gold, and the flower of the fraternity is the white rose.

In addition to carrying on an expanded program within the chapter, Theta Psi Zeta of Lambda Chi Alpha has actively participated in campus activities this year.

The fraternity has been represented in such events as Stunt Night, the Student Union carnival, Sing Week, and the homecoming parade. Members and pledges have participated in all intramural sports.

Social events of the chapter have included such entertainments as a record party, shrimp boil, "Alpha-traz" party, weiner roasts, the traditional Christmas party, open houses before football games and the spring formal.

Alumni of the chapter were guests at a homecoming luncheon and at a Founder's Day dinner in March, at which time a house corporation was organized.

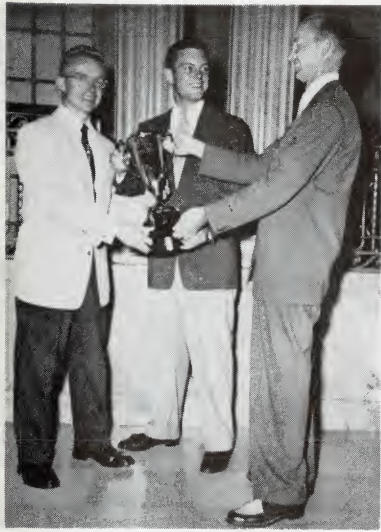

Three members from Tech attended the Miami Beach convention of the fraternity just before the fall semester began. A group also represented the chapter at the Southwest conclave in Oklahoma City.

At the 1954 national convention in Memphis, Tennessee, the Gamma Psi chapter of Pi Kappa Alpha received a cup for having the highest scholarship and a plaque for the most improvement of previous year's grades. In the spring of 1954 the Interfraternity Council scholarship plaque was retired after Pi Kappa Alpha had recorded the highest grade averages among Tech fraternities for three consecutive semesters.

The biggest undertaking of the fraternity for 1954-1955 was the construction of a \$40,000 chapter house, which was done with the help of many alumni led by L. P. McLane, Bob Holiday, and Leslie Dyson.

In 1954 the fraternity was named over-all intramural champions for the third consecutive year and was awarded first place in Sing Week.

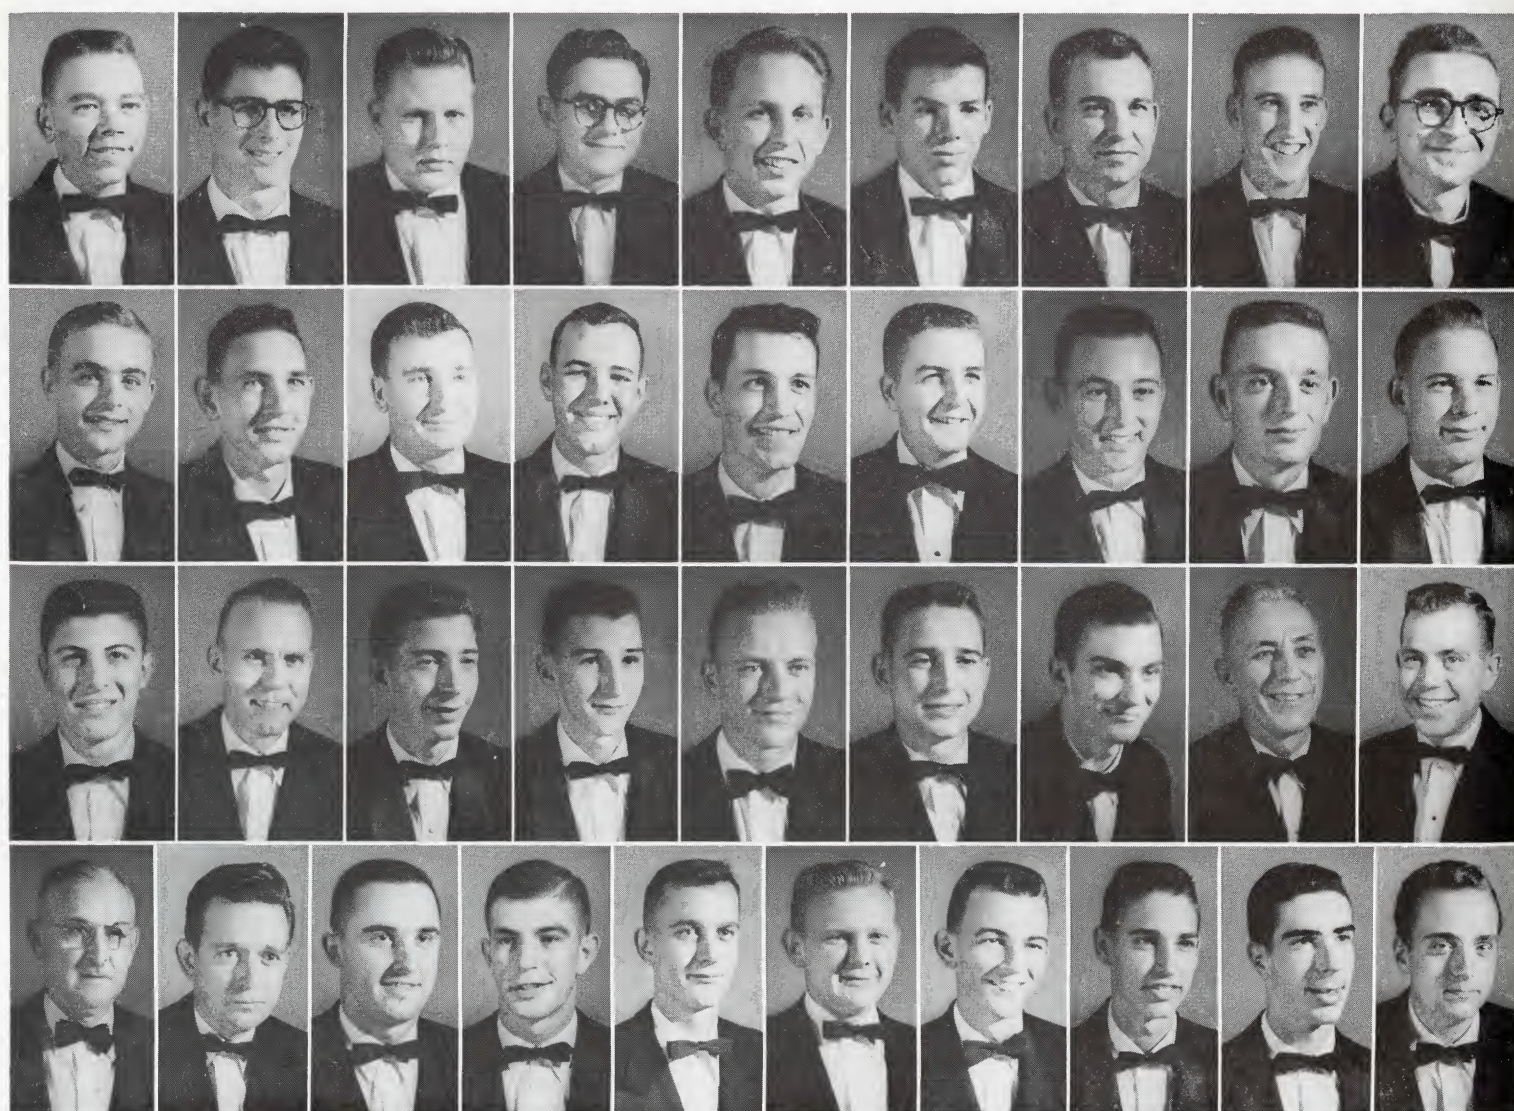

At the annual Black and White spring formal for 1954 Miss Louise Murchison was presented as Dream Girl. This year's formal was held in April.

TAU KAPPA EPSILON

LEGEND

Tau Kappa Epsilon, now composed of 111 chapters, was founded at Illinois Wesleyan University in 1899. Tech's chapter, the oldest Greek letter organization on the campus, had its beginning in 1898 as a local, Alpha Omega. In 1925, Alpha Omega became a chapter of Alpha Lambda Tau, and in 1947, joining several other chapters of Alpha Lambda Tau, it merged with Tau Kappa Epsilon and became Beta Zeta chapter.

Winning first place in the homecoming parade and placing first among the Tech fraternities in scholarship are two of this year's outstanding achievements of the Beta Zeta chapter of the Tau Kappa Epsilon fraternity.

During this year the group held open house for several occasions, one being for Freddy Martin, band-leader. They also participated in intramural sports and other campus activities.

At the annual Spring Formal, Miss Patricia Smith was named sweetheart. Other outstanding social events of the year included the Christmas Formal and a Shipwreck Party.

The 1954 summer house party was held in Hot Springs, Arkansas in June. Approximately twelve couples attended.

At the 1953 national convention which was held in Des Moines, Iowa, the Tech chapter was named the chapter with best scholarship improvement.

Phi Kappa Phi, a national honorary scholastic society, was founded in 1897. There are over fifty-four chapters in the United States, with a total membership in excess of sixty-five thousand. In 1951, following the investigation of our institution by the national organization, the Louisiana Tech Chapter of Phi Kappa Phi was established. Election to membership is based on scholarship and character. Members are elected from the upper five per cent of the last-semester juniors and from the upper twelve and one-half per cent of the seniors.

ARNOLD AIR SOCIETY

The Arnold Air Society, an honorary organization of a selected group of advanced AFROTC students, was organized for the purpose of encouraging students' participation in Air Force programs and creating their interest in learning more about the Air Force before being called to active duty. The national Society was formed in September, 1947, and the Tech Society was organized in September, 1950.

In the fall of 1954 the Arnold Air Society became affiliated with the Air Force Association, and all Arnold Air Society members became student members of the Air Force Association.

Membership in this society is gained by a unanimous vote of all members. The candidate selected is a cadet showing great military bearing, leadership ability, and interest in the ROTC activities and program.

TECH THEATRE PLAYERS

OFFICERS

Jimmy Tarver	<i>President</i>
Paul Hamrick	<i>Vice-President</i>
Barbara Schilde	<i>Secretary</i>
Erroll Dawson	<i>Business Manager</i>
Arthur Stone	<i>Director</i>

The Tech Theatre Players was organized in 1936 by Miss Vera Alice Paul. Its purpose is to provide dramatic entertainment for the campus and the community. This extra-curricular activity group produces and presents plays of literary and dramatic merit.

During this past year the Tech Theatre Players presented a murder trial production, "The Night of January 16th," in the Ruston Court House and in Springhill. Their next production was a farce, "The Whole Town's Talking."

For the celebration of international theater month, Miss Vera Alice Paul, retired faculty member, produced "The Wild Duck" by Henrick Ibsen.

The last production of the year was a program of three one-act plays, produced by the advanced play-production class. One of these plays was taken to Shangaloo Community Club for a presentation in April.
